PASSION Z3

The PASSION collection represents the pinnacle of our innovative approach to cycling apparel. The finest fabrics are carefully combined to optimise comfort and performance. These refinements of every detail are most evident on your longest, most challenging rides. The collection is characterised by fresh, contemporary design which elegantly completes your overall look.

DISCOVER Z2

Explore the freedom of off-road riding in our DISCOVER collection. These loose-fitting garments are perfect for gravel or MTB rides, or as an alternative to close-fitting Lycra. Choose from a variety of loose-fitting short and long sleeve jerseys made from lightweight materials in stylish, modern colours. Pair them with the baggy outer shorts and optional inner shorts. Ride the trails in new levels of comfort.

TEAM REPLICAS

Kalas are the Official Partner of Alpecin-Deceuninck and the Great Britain Cycling Team.

Together we develop high performance kit to help Olympians and world champions deliver at the highest level in Road Race, Time Trial, Track, Mountain Bike and Cyclo-cross. These technical innovations are incorporated into our extensive range of team replicas so that everyone can show their colours and experience the same benefits of comfort and performance via our extensive range of replica kit and fanwear.
